ViewPad® 10

10.1" Tablet Dual Boot VPAD10

It's all about YOU.

The ViewSonic® ViewPad® 10 10.1" Wi-Fi, Bluetooth® dual boot tablet supports both Windows® and Android® operating systems. It's your choice for the best mobile entertainment and productivity tools. ViewPad 10 is packed with rich features including capacitive multi-touch 1024x600 LCD screen, high performance Intel® Pine Trail processor, integrated DDR3 1GB SDRAM and 16GB SSD storage capacity, 1.3 megapixel webcam and full connectivity including a mini VGA port and Micro SD slot.

With compact and lighter design to carry than a laptop, ViewPad 10 is ideally designed to view Flash-based content and Office programs with Windows®, and for the best mobile entertainment experience with Android.

Windows Hits the Road

The ViewPad 10 offers full productivity with Windows® OS based upon the Intel Pine Trail N455 1.66Ghz CPU, mobile MN10 express chipset, integrated Gfx/Dx9 and DDR3 1GB SDRAM. The SSD 16GB provides ample storage capacity and is super lightweight. Windows® 7 Home Premium OS (Upgrade model with Windows® 7 Professional) supports multi-touch on the 1024x600 LCD screen with high contrast ratio of 700:1 along with application software of Adobe reader, Adobe® Flash Player and WinRAR.

Android – Entertainment Freedom

The Google Android 1.6 platform lets you multi-task, chat with friends, share photos and surf the web – all in a snap. Enjoy entertainment for galleries, music, videos and more just with a simple click. ViewPad 10 provides great ebook resources from Aldiko for leisure reading or learning.
